

Kai Natril, Andryti

Music and Text by Eaglechild

This is an old love song of the Selyra featured in
Eaglechild's novels "The Longing of the Ren-Bird" and "The Longing of the Fire".
It is sung and played on the guitar by Rast and later played on the
ocarina by Ambri accompanied on the violin by Richard Kendrice.

Song text in the Selyra language:
Kai natril Andryti, vei Nalla ill Jutar,
Darix Terini ill Andyr ti mestis.
Rastil mi sarix mil Adna ill Natiar,
Andrys ti sirix jal vendril sa mi.

English translation:
"You are beautiful, my love, like the morning sun.
Words of love I want to sing to you.
Let me kiss the Lady of my heart.
I love to watch you while you are sleeping near me."
